

Presidential Order for Adjudicator positions

On October 28, 2009, President Obama signed the National Defense Authorization Act for FY 2010 (NDAA). This law authorizes Federal agencies to reemploy Federal annuitants (reemployed annuitants -REAs) under certain limited conditions without a dual compensation reduction, i.e., allow REAs to receive both their full annuity without reduction and re-employed annuitant pay. This authority expires five years after the date of enactment (i.e., October 28, 2014).
